Penna Olives is known for consistency and quality for decades. Their olives are grown, processed and packed at M&CP Farms in **Orland, CA**. Owned and operated by **Maurice and Cindy Penna**, M&CP Farms is the only end-to-end handler from tree to package. Maurice is a recognized authority on olives and is responsible for all phases of olive production.

ITALIAN DELI MIX

A mildly spicy blend of pitted olives with pearl onions, and Greek and California peppers. Available in 2/5# bags in brine.

CALIFORNIA MIXED

Blend of Sevillano, Mission, Manzanita, and Picholine. Available pitted (2/4#) or with the pit (2/5#).

CALAMON (KALAMATA)

A California grown Kalamata, this olive is a large, purple/black olive with rich and fruity flavor. Available pitted-2/4# bags.

LUCQUES

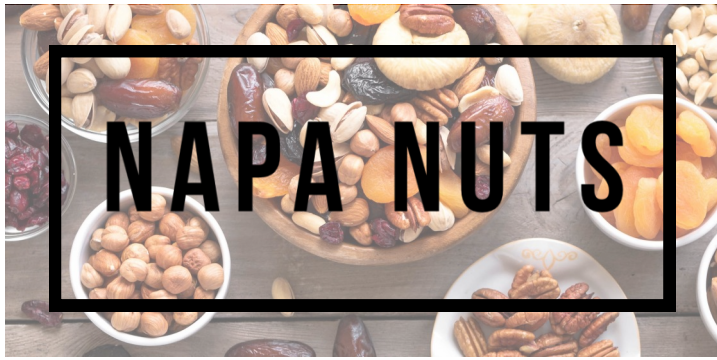

Crescent shaped green olives with firm meaty texture (with pit). Available 2/5# bags in brine.

PITTED SICILIAN (SEVILLANO)

Large meaty green olive with mild fruity flavor. Pairs well with sheep and goat milk cheeses. Available 2/5# bags in brine.

CASTELVETRANO- A bright green, medium sized olive with a buttery flesh. Castelvetranos are juicy, fruity, and slightly salty while still mild. We stock both whole (10# tub) and pitted (2/4# case). *They are grown and produced in Italy.*

NAPA NUTS

Napa Nuts is a family business that has been owned and operated by the Miluso family in Napa since 1990. Napa Nuts is committed to building relationships with growers, and sourcing **consistently high quality nuts, seeds, and dried fruit**. Napa Nuts also recognizes the importance of food safety, especially in regards to food allergies. They have **implemented systems to prevent peanut cross-contamination**, including a dedicated packing room exclusively reserved for peanuts. With such a broad product line available from Napa Nuts, there is no need to shop around.

Z SPECIALTY HONEY

Z Specialty Foods is family owned and operated by the **Zeldner family**. They been **producing honey in Woodland, CA since 1979**. California Honey, Fruit Spreads and Nut Butters from Z Specialty Foods are perfect for baking and make great additions to cheese boards, tea service and more!

Honey

Their natural honey is minimally processed, unheated and unpasteurized, keeping the color, flavor, aroma, and healthy enzymes intact. Each honey is specific to a single floral source and geographic location contributing to their unique flavors, colors, and aromas. Available by the gallon:

- LOCAL WILDFLOWER HONEY
- ORANGE BLOSSOM HONEY
- CALIFORNIA CORIANDER
- CALIFORNIA POMEGRANATE
- CALIFORNIA AVOCADO BLOSSOM HONEY
- WILD FLOWER HONEY STRAWS

Fruit Spreads

Their **Honey-Fruit Spreads** are made with creamed honey, which means the product will always be ready to spread. There is no need to refrigerate after opening. We stock the following in 10# tubs:

- APRICOT CHERRY
- APRICOT
- TART CHERRY

Nut Butters

California Nut Butters are unique nut spreadables made with 100% nuts- no salt, sugar, or stabilizers added! Refrigerate to keep fresh, smooth, and spreadable. Available by the 7.5# tub:

- ALMOND BUTTER
- NUT CRUNCH (ALMONDS, FILBERTS AND CASHEWS)

Buy local, buy fresh, buy the best!
